ORDER

JESSE M. FURMAN, United States District Judge:

As stated on the record during the teleconference held earlier today:

- Defendants shall cure all discovery deficiencies in this matter **no later than Friday, October 4, 2024**, either by producing the documents at issue or by maintaining, amending, or lodging proper objections to Plaintiff's requests, as appropriate;
- Plaintiff shall file a letter **no later than October 9, 2024**, informing the Court as to the status of Defendants' productions. If any discovery deficiencies remain at that point, the Court is likely to entertain a motion to compel or motion for sanctions;
- No depositions shall be held until all discovery deficiencies have been cured or the Court has resolved any related motions;
- In light of the above, the deadline for fact discovery is hereby extended through and until **November 11, 2024**. If the parties believe expert discovery is necessary and that more time is needed, they should seek an appropriate extension of that deadline before November 11, 2024; and
- The pretrial conference scheduled for October 15, 2024, is hereby ADJOURNED to **November 19, 2024, at 9:00 a.m.**

SO ORDERED.
